

Iron Valley Golf Club – Lebanon Pennsylvania

Line Cooks needed – desperately.

Do you like food? Have you ever worked in a kitchen? Are you the one who finds yourself handling the grilling duties at every family function? Are you currently working in a kitchen and haven't seen the Sun since March? Maybe you are currently washing dishes and think, "Heck, I can cook as well as that Chef" Would you like to work in an almost totally "stress free" environment?

If you have answered "yes" to any of the above questions, or if you want to improve your status and pad your resume, we have the opportunity for you!

The Iron Valley Golf Club located in the beautiful Cornwall Borough of Lebanon County quite desperately needs kitchen help/line cooks. Golfers are some of the easiest, least demanding customers that one will ever find in the Food and Beverage business. Is the Burger done, is the Beer cold? Answer those two questions correctly and you will have made 98% of all golfers happy!

If you have the proper work ethic and show up on a regular basis - we will gladly train you on how to be our new Line Cook. If you keep improving, we will keep paying you more. It really is quite simple!

The pay range for this position is from \$15 to \$22/hour depending on your overall experience.

Interested applicants should respond to Jeff Harper via e-mail at jharper@bylerholdings.com. The starting date is immediate.
